Easy, safe, and rurally relevant peer-based reflective learning.

CONNECT & REFLECT

Meaningful professional development relevant to your rural practice

RDAQ's Connect & Reflect program is an opportunity for you to meet your compulsory learning requirements while benefiting from meaningful, active learning with your peers.

Your learning will be based on your own practice and the systems you're working within.

Safe, supportive closed peer environment

CPD - Performance review & outcome measurement

Developed by rural doctors for rural doctors

Tangible outcomes to benefit you and your patients
